Official Transcripts

All applicants must furnish an official paper or electronic transcript from each undergraduate institution attended. Transcripts should be sent directly to William James College (Office of Admissions) by the issuing registrar's office so that they arrive on or before the application due date. All academic transcripts originating at an institution from outside of the United States must be translated into their US equivalency. William James College recommends that applicants contact **World Education Services** (www.wes.org) to perform this service. If you have completed a semester abroad program, you are not required to furnish a transcript for this period of study if your coursework appears on your home institution's transcript with a letter grade.
