Thank you for considering William James College. Applicants are considered on their overall readiness for successful performance in graduate level coursework as well as the potential “fit” with our programs and fields of study.

Prerequisites
- Possession of a four-year baccalaureate degree (or its equivalent) from an accredited institution.
- Basic coursework necessary to apply. (*Please see the chart on page two*).
- Academic achievement at the undergraduate and/or graduate levels (Although there is no minimum GPA requirement, a 3.0 out of 4.0 is expected).

Ready to apply?
Log on to [www.williamjames.edu/apply](http://www.williamjames.edu/apply). With the exception of academic transcripts and standardized test score reports, all materials must be submitted through your online application account.

Only completed applications that are received on or before the application due date will be considered.

International Applicants
All applicants who are neither a citizen nor a permanent resident of the United States must meet William James College’s regular admission requirements, as well as those listed below.

All academic transcripts originating from an institution of higher learning outside of the United States must be translated into their US equivalency. William James College recommends that applicants use World Education Services (www.wes.org) to perform this service. For additional information, please visit: [www.wes.org](http://www.wes.org).

After acceptance of the admission offer, international students will be sent a Foreign Student Certification of Finances (FSCF) form which must be submitted by every student who does not hold a permanent resident (immigrant) visa in the United States. Because international students are ineligible to borrow Federal student aid, and private loans may be difficult to obtain, the FSCF is required by US Regulation to confirm that all of the necessary financial supports are secured for the duration of study. Only after this certification is sufficiently submitted will the Certificate of Eligibility for Nonimmigrant Student Status INS I-20 form be issued. International applicants must plan and secure funding sources for the length of their stay in the U.S. before applying. This includes living expenses, health insurance and travel. Once enrolled, there are no opportunities to earn income through employment in or off campus.

International applicants must provide a copy of their visa before beginning the program.
