

Hello everyone!

This is the last email from us before Orientation next week so please read carefully. To keep things simple today we're sticking to bullet points.

- First, for Monday through Thursday, whichever days your programs are occurring you should all proceed directly to the tent in the parking lot for breakfast from 8:00-9:00.
- Second however, on Friday there is no breakfast so please go to the designated location for your program during the academic boot camp which starts promptly at 9:00 *****(the schedule is [here](#))***** *(Please note that attendance is required except for MAOP and Bachelors students for whom it is optional)*
- ***** **Don't forget to complete the required online videos and corresponding quizzes.** Your department chairs will be getting information on who has or has not completed this by **Orientation**. The information and link to all of the videos can be found [here](#). *****
- Fourth and last, during lunch on Friday when you're full from all the pizza and ice cream we welcome you to join us for a community service project right there in the tent – creating cards of encouragement and joy for hospitalized children.

If you are ever concerned about missing important orientation messages for the general population that are not department specific they can all be found [here](#).

Have a great weekend and see you next week!
